

BCS Tractor Model	Gearbox Oil Capacity (Quarts)	Gearbox Oil Spec	First Gearbox Oil Change Interval	Standard Gearbox Oil Change Interval
201	0.75	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
203	1.3	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
204	1.3	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
205	1.3	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
601	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
602	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
604/612	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
605	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
620	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
705 (tiller)	2.5	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
705 Crusader	No gearbox	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
710	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
712	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
715	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
716	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
718	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
720	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
722	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
725	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
730	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
730GX11	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
732	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
735	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
737	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
738 or739 PowerSafe	2.3	HyTran / UniHydro / Universal tractor/transmission fluid	After 30 hours of use, with filter replacement	Every 100 hours of use OR once a year (with filter replacement)
740 PowerSafe	2.6	HyTran / UniHydro / Universal tractor/transmission fluid	After 30 hours of use, with filter replacement	Every 100 hours of use OR once a year (with filter replacement)
			See next page	

745	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
749 PowerSafe	2.6	HyTran / UniHydro / Universal tractor/transmission fluid	After 30 hours of use, with filter replacement	Every 100 hours of use OR once a year (with filter replacement)
750 PowerSafe	2.6	HyTran / UniHydro / Universal tractor/transmission fluid	After 30 hours of use, with filter replacement	Every 100 hours of use OR once a year (with filter replacement)
755	2.5	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
770 / 779 Hydro	3.8	15W40 engine oil, synthetic preferred (yes, this goes in tranny!)	After 30 hours of use, with filter replacement	Every 100 hours of use OR once a year (with filter replacement)
830	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
850	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
852	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
853	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
945	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
946	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
948	1.9	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
Grillo Tractor Model	Gearbox Oil Capacity (Quarts)	Gearbox Oil Spec	First Gearbox Oil Change Interval	Standard Gearbox Oil Change Interval
G3500	1.6	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
G85	2.2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
G85D	2.2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
G107D	2.2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
G110D	2.2	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
G131	2.5	80W90 Yellow-metal-safe gear oil	After First Year	Once A Year for Commerical use, every 3 years otherwise
